

Does your child need additional homework support?

The Swansea Town Hall Homework Club is back
for the 2022-2023 School Year!

Every Thursday 3:30pm-5:30pm
October 20, 2022 – June 1, 2023

Swansea Town Hall Community Centre
95 Lavinia Avenue, Toronto, Ontario, M6S 3H9

Participate in learning activities!
Learn study strategies!
Review homework expectations!
Have fun and learn at the same time!

Our Homework Club offers free tutoring and learning strategies for children in Grades 3 to 8 from October to June. No homework, no problem! We also have fun playing educational games and challenges, concentrating on areas the children need the most help with.

To register your child, please fill out the form below and email to: swanseahomeworkclub@gmail.com. Please contact us if you have any questions or want more information about the program.

Program Duration

Fall Term: October 20, 2022 to December 8, 2022

Winter Term: January 19, 2023 to March 9, 2023

Spring Term: April 13, 2023 to June 1, 2023

It is important that your child arrive on time for the homework club each week as activities start right away and students coming in late can disrupt the dynamics of the groups and make it difficult for tutors to meet the needs of all the students. Also, regular attendance is very important. If your child cannot attend for some reason, please let us know in advance. Consistent tardiness or irregular attendance may result in removal from the program.

Volunteer Opportunities

Our homework club program operates on a mentoring basis so we are always interested in enthusiastic, self-motivated new volunteer tutors who can work one on one or with small groups of children. Are you an adult, high school student or retired professional teacher that can commit to attending the program throughout the year? We provide volunteer hours and references for high school students. Please email us at swanseahomeworkclub@gmail.com to find out more information or if you have any questions.
